Homeschool with Matthew

PENNSYLVANIA / PRE-K-8 / VIRTUAL SUPPORT

A homeschool plan.
Your family's way.

Beginning or already homeschooling? Let's work out what to use, where to begin and how it fits your week.

Homeschool Launch: your four-week starting plan.

A detailed four-week launch plan, plus a flexible, big-picture semester or school-year roadmap. You remain in charge; we adjust the plan as you try it.

A starting point for each child. Reading and math review; no prior formal test required.

Resources and routines that fit. Curriculum choices, schedules and sibling coordination.

Learning beyond the lesson. Activities, social opportunities and progress tools.

Matthew Tracey: 8 years of K-5 teaching; two relevant master's degrees; PA Instructional II (PK-4, Grades 5-6 extensions); current PA clearances.

1 learner $800 **2 learners $1,150** **3 learners $1,500**

Four or more learners welcome: personalized family quote. One-time launch fee.

Includes a 60-minute launch call, 30-minute midpoint review, 30-minute closeout and parent replies within two business days during the four weeks. Curriculum, subscriptions, materials and activities cost extra, with your approval.

Keep an educator in your corner.

Parent advisory: one-time, monthly, twice-monthly or weekly. From **$200/month** for one child with one 30-minute meeting, preparation, written next steps and defined between-meeting support. One-time consultations from **$100** for 30 minutes.

Virtual tutoring: $80/hour. Parent present; subject, grade fit and terms agreed first. Advisory and tutoring are separate from launch. Full rates and scope on the website.

Ask about a 20-minute parent fit conversation.
